**Subject: Evaluation of the impact of the CAP on generational renewal, local development and jobs in rural areas.**

The European Commission has commissioned ADE SA to conduct the above-mentioned evaluation.

The evaluation is being carried out under a contract between the company and the Commission, the Directorate-General for Agriculture and Rural Development in particular. The terms of the contract require the contractor to treat all information and documents associated with the performance of the contract as strictly confidential.

Given the importance the Directorate-General for Agriculture and Rural Development attaches to this study, I would be grateful if all private and institutional contacts could offer their collaboration and provide the company with the information needed.

The unit AGRI-C.4 can provide you with further information on the study. Please contact Ms Zulema Olivan, +32 2 296 46 22, [zulema.olivan-tomas@ec.europa.eu](mailto:zulema.olivan-tomas@ec.europa.eu)
